Student at COEP Technological University

Pune, Maharashtra, India

Summary

Hey! I'm Paras, aged 19, born in India and brought up in the UAE. I am currently pursuing computer science in COEP.

At present, I'm learning more about web development and would love to make a career out of it. As a pastime I read books and make music. Hoping to branch out, learn more things and meet more people as I move ahead in my career.
